announcement

The management of the Top Referent Trauma Centre from GGZ Drenthe kindly invites you to attend a conference on chronic traumatization:

The Self behind the Self Dissociation, Trauma and Psychosis on Thursday May 21th, 2015

Alfa en Omega, Reinout Krajenbrink

The Self behind the Self

We are pleased to offer an outstanding clinical and scientific program that includes eminent experts in the field.

Participants will be informed about three core concepts in psychiatry: dissociation, psychosis and trauma. Eminent experts from all over the world will give their presentations about these phenomena and concepts. They will illustrate the limitations and the mutual relations of these approaches and will point out their meaning for mental health.

The conference will be held in the Netherlands, in the centre of Zwolle, Blijmarkt 25, in Theater Odeon.
